Dear Sirs,

RE:- PAKISTAN PATENT APPLICATION NO. 279/92
PHILIP MORRIS PRODUCTS INC
Your File 33442

We have now received another official action in connection with this application vide copy of Controller's letter enclosed. Our comments in the matter are as follows:-

1. Examiner has maintained the earlier objection against claim 2, 16, 24 and 29, and wants the words "over Volatile" to be incorporated in these claims. In our opinion, this does not appear to be necessary. We may however incorporate these words in these claims to avoid unnecessary arguments and delay.

As normal period expired on 15th December,1993 we will seek 3 months extention in this period upto 15th March,1994 and request you kindly to let us have your instructions before said date.

Yours faithfully,

BHARUCHA & CO.
